

STEEL PRODUCTS-UTAH ENVIRONMENTAL POLICY

The Nucor Utah Steel Products Divisions are:

- committed to the protection of the environment, including prevention of pollution
- committed to fulfil its compliance obligations, including relevant environmental legislation and regulations, and other corporate and division requirements
- committed to continual improvement of the environmental management system to enhance environmental performance.
- committed to identify and review the environmental impacts of our business and where appropriate utilize objectives, targets, and action plans to minimize those impacts

We understand the environmental stewardship we have in our community and will maintain open communication with neighbors, employees, and other concerned parties.

We will provide the necessary personnel and resources to achieve these commitments.

Pollution Prevention
Environmental Compliance
Accountability of Work Area
Knowledge of rules and regulation
Stewardship in the community

Policy Revision 07 (08/03/2018)
